

How to register on the Club website

Only necessary to view member only pages. When you arrive on a member only page it will become apparent that you need to log in. Bookings and leagues are member only pages.

To register on the website, first go to a member only page – try the tennis or squash bookings page then simply click on the ‘forgotten password’ link in the top right corner. Then type in your username which you should have received in your welcome email when you joined the Club. A temporary password will then be emailed for you to use. (If you don’t remember your username, ask Club reception)

You can then go back to the club website (on the bookings page) and log in using your user name and your temporary password. Once logged in, the top right corner link will give you the option to ‘change password’. You can then use this to change your password to something you can easily remember.
