

SIGN up for FREE British Tennis Membership and have the chance to get Wimbledon Tickets...

As we are an LTA affiliated club, our members are able to take advantage of the free British Tennis Membership and the benefits that it entails. Note that this only applies to tennis section members (includes Gold membership)

The club receives an allocation of tickets for Wimbledon each year and we have a club draw to see who gets the chance to go. Each year the club receives nearly 80 pairs of tickets. As long as you are a current fully paid up tennis section member aged 11 upwards, you can enter the draw. The only stipulation is that you have to have joined British Tennis and have OPTED IN for the Wimbledon tickets ballot. So if you would like to take advantage of this, just visit the [LTA website](#) and sign up – it only takes a few minutes.

Make sure to choose the free “Lite Membership” and put Winchester Racquets and Fitness as your “registered place to play” when you are signing up.

The Wimbledon ticket draw is normally held each year in May and members are advised well in advance of the actual date.
