**All Finals to be played on Finals Day Sunday 5th July**

\*Before entering\*

Please refer to the schedule and only enter the tournament if you will commit to playing your matches by the deadline dates

\* Doubles are One day round-robin events – to produce qualifiers to meet seeded pairs in the later knockout stage.

(Note that the B Doubles **are not one day events**—they are stand alone knock out events running from March to June)

The Mens Vet Doubles 60+ is also a knockout event

Doubles knockout stage matches to subsequently be played leading up to finals day

### What if a player is not available to play on finals day?

If you know that you are not available to play on finals day:

In Singles competitors should withdraw at Q/F stage

In Doubles competitors can play in and even win the one day qualifying events but they will not be put through to the knockout stage
