

SIGN up for FREE British Tennis Membership and have the chance to get Wimbledon Tickets...

As we are an LTA affiliated club, our members are able to take advantage of the free British Tennis Membership and the benefits that it entails. Note that this only applies to tennis section members (includes Gold membership)

The club receives an allocation of tickets for Wimbledon each year in the Wimbledon Club ballot. As long as you are a current fully paid up tennis section member aged 11 upwards, your name will be in the ballot that is automatically run by the LTA. The only stipulation is that you have to have joined British Tennis and have OPTED IN for the Wimbledon tickets club ballot.

To take advantage of this, just visit the [LTA website](#) and sign up – it only takes a few minutes.

Make sure to choose the free **“Advantage Play +”** option and put Winchester Racquets and Fitness as your “registered place to play” when you are signing up.
